ROTARY CONNECTS THE WORLD

Rotary Club of Mosman Bulletin
Vol. 59, No. 37
March 17th 2020

Tuesday 17th March - Dr Kevin Cheng - Osana Care

Dr Cheng is an Australian trained GP who is on a mission to put patients first - “Our mission is to keep you happy, healthy and where possible, out of hospital. We do this by providing a different model of care, putting you at the centre of everything we do, working in teams, and focusing relentlessly on delivering a better health outcome for you. “

This will be an ideal opportunity to hear a presentation on a different type of medical care as well as the latest medical thinking on the Corvid-19 virus - see below

Impact of CORVID-19

As a club we need to decide how to proceed for the next few months as the virus takes hold. Of course we all hope that measures being taken will reduce the impact but it would appear from news reports that the virus is highly infectious and significant numbers could become infected [up to 1.6million in NSW]. In addition it would appear that the risk of dying from the disease is greater for older or infirm Australians. President Graeme will report on the board’s consideration of the issue at

March is WATER AND SANITATION Month

**Come and visit us at one of our Tuesday lunch meetings.
12.30 for 12.50pm start at The Upper Duck HOTEL MOSMAN,
634 Military Rd Mosman (next to Boronia House with parking at Bridgepoint).**

Heart on My Sleeve

As many members will recall, Mark W's son Mitch runs a foundation called Heart On My Sleeve" designed to support young people with mental issues.
The foundation is having a black tie formal fundraising dinner - see attached - on 9th May. Tickets are $195 each with the possibility of making up a table.
Anyone interested in attending and supporting the foundation should contact Mark W.

Fundraising Event hosted by Wahroonga Rotary

A Special Day for those odd/unused socks loitering in the back of your sock drawer or lurking in the laundry basket. The Rotary Club of Wahroonga wants to unite all these lost 'soles' and create a community event for families, schools and businesses in the area.

The effort will need all your odd/unused socks! They are looking for clubs such as ours plus other supporters to gather lots of odd/unused socks (with a $2 donation per sock). From there you need to create a 50 metre chain [estimated to need about 200 socks] and then participate in an attempt in October to break a world record [A 10,000 metre line of connected socks will set a new World Record achieved by connecting over 40,000 socks.]

All proceeds will go to Rotary Projects with emphasis on Mental Health.

As a club we will be looking for a member to organise participation based on contributions both from members of our club and the Mosman community.

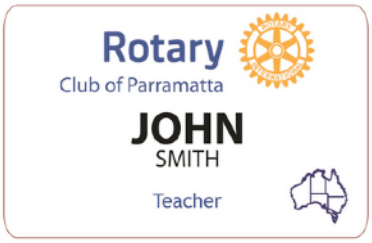
Volunteers Grant c/o Zali Steggall MP

ZaliSteggall HELPING YOU
INDEPENDENT FOR WARRINGAH

We have been recommended by Zali's office for a 2019-2020 Volunteers Grant. We have received the formal application form from the federal Government and submitted a request for $4450 to purchase various computer equipment defined as:

Computer or laptop (incl. operating software)
Computer Software (non-operating)
External hard drive
iPad / tablet
Printer/multifunction centre/fax/scanner
Spatial Vision Mapping.

There is no guarantee that we will get the funds but we should hear by the end of June or thereabouts.



New badges For Our Club

At her recent visit to our club, DG Kalma remarked on the lack of consistency with our Lunch Badges. In particular she noted that the older [round] badges did not comply with Rotary International branding. The board has decided that we should follow her guidance and replace all non complying badges with the standard badges available from RDU with the cost to be borne by our club. In the event that members wish to have a different type of badge this will be possible as long as the badge complies with Rotary International branding and the cost is borne by the member concerned. For information about this please contact PP Di.
